Topsfield Ruffie is a 10-year-old bay roan Clydesdale gelding created by the very talented Keren Woods of England. Ruffie just arrived late this summer, so he is just starting out in the show ring but already he is a Multi-Reserve Grand Champion winner. He is shown in the model draft horse club which is run by myself. (Rulesheet available for 10¢ and a SASE). Owned by Nancy Olson,

Draconian Princess is a 1972 black Clydesdale mare with two socks, two stockings, and a blaze. She was RRHed by Janice A. Meixner from the Breyer Traditional Clydesdale Mare. She has red and white mane braids with a matching red and white braid in her tail. With her former owner, Janice, she won uncountable championships!! She was even Grand Champion Drafter at the 1986 World Championships!! At the first show I entered her in, she was named Overall Reserve Grand Champion of the show. She produces champion foals, too! Her daughter, War Witch, was Champion Clydesdale at the 1988 World Championships in Las Vegas. 'Princess' is proudly owned by Royal Fox Farms and Kim Henderson.
