DW Moirya

DW Moirya is a 12 year old Thoroughbred Stallion, airbrushed and haired into a lightly dappled grey out of the Stablemate Native Dancer. He was created by his owner, Paige Easley of Desert Wind Stables, in 1985. He was sold and later repurchased in trade for \$50.00. Since his official show career started in 1988, he has taken a few photo show champs, as well as tenth place in the Hoosier Classic Live show top ten with many Firsts. At the IMHCC Live Show, also last fall, he took reserve RR TB champion, beating numerous traditionals! Details took him so far, such as tri-colored eyes, veining, shoes, individually thread tied looped braids in his mane and french braided tail. Sorry, he is not for sale, but a few other D.W. models are available.

Let's see your Champion Morgans for the next issue!

Dow Jones

Dow Jones is a 1980 light dapple grey Thoroughbred stallion with string "hunter" braided mane and hair braid tail with red ribbons. He is a Breyer RRH by Lynne Baum. She also did "wigs" for his mane and tail to allow him to compete (very successfully) in all Western events. His sire, Orcrest, another RRH model owned by myself, is a multi-Champion and former Horse of the Year who traces back to Man O' War and *Nasrullah. His dam, Find A Buyer, a real English TB has Whirlaway and Hyperion in her line. She is also the dam of famous appendix QH racer Dash for Cash. Dow Jones was a live show champion when I purchased him from Lynne in 1988. I've only photo shown him, but in just 6 shows he has 1 Grand Champion, 1 Reserve Grand Champion, 7 Championships and 1 Reserve Championship. "DJ" is a super versatile horse and we are looking forward to a winning 1989. He is standing at stud to outside mares for the first time this year.
